## **ADVENTURE WEST RESORTS ANNOUNCES THE ADDITION OF THE NEW EDEN ON CHILKO LAKE TO ITS PORTFOLIO**

**VANCOUVER, BRITISH COLUMBIA, November 4, 2008** – Adventure West Resorts is pleased to announce the addition of the new Eden on Chilko Lake to its portfolio. Formerly known as the Chilko Lake Lodge, Eden on Chilko Lake will begin operations starting in June 2009 as a lakeside wellness resort and spa following an extensive renovation.

Set in Tsylos Provincial Park in British Columbia's Coast Mountains, a two and a half hour drive from William's Lake, Eden on Chilko Lake will feature breathtaking views of the unspoiled Chilcotin wilderness. Inspired by the natural healing benefits of Mother Nature, Eden will offer guests a combination of healthy outdoor activities blended with an unforgettable spa and dining experience. From nutritional consulting and locally inspired spa treatments, to unsurpassed trout fishing, grizzly bear viewing and guided wildflower hikes, guests to Eden on Chilko Lake will leave relaxed, inspired and with a renewed sense of balance.

"Through programs designed to instill health and wellness in the true, native and rugged paradise of Chilko Lake, our aim will be to offer guests the unique opportunity to find spiritual, and emotional balance," says Aaron Smith, Director of Marketing and Operations for Adventure West Resorts. "Chilko Lake is considered a healing ground to the local First Nations. In line with the history of the area, we plan to create a relaxing and enlightening experience unlike anything else offered in the region. "

...because everyone needs a little adventure in their life

Offering a variety of luxurious lakefront accommodation including private chalets, deluxe half duplexes and waterfront suites in authentic Chilcotin log cabins, Eden on Chilko Lake will present a refined experience in the heart of British Columbia's wild west. Open from June through October, guest packages include accommodation, all meals, Pilates or aqua aerobics class, and one guided morning outdoor activity such as wildflower hikes, instructional fly-fishing or scenic lake tours.
