Our Cattle Drive has become one of the premier events in the valley and offers guests the exclusive opportunity to be part of an authentic cowboy (and cowgirl) tradition. It begins the day after guests arrive, when we let them get good and dirty rounding up cattle and calves for branding. The following day we drive the cattle out onto the rangeland, stopping for a chef-prepared lunch, where guests can opt to head home or keep on 'driving'. It's a true experience of ranch life. Reserve early, this event sells out every year.
